SUMMARY

MSc. in Computer Science student at Columbia University.

Prev: Quantitative Researcher at Duquesne Capital Management, Founding Team @ Move37AI.

EXPERIENCE

Duquesne Capital Management

New York City, New York

Quantitative Researcher

Sept. 2023 - March 2026

- Research and development for the systematic macro trading team, integrating alternative and proprietary datasets and statistical learning techniques, at Stanley Druckenmiller's fund.

Move37AI

Buenos Aires, Argentina

Consultant

Sept. 2023 - Present

Argentina Branch Lead

July 2022 - Sept. 2023

Founding Machine Learning Engineer

Dec. 2020 - July 2022

- Quant-focused hedge fund spinoff centered on non-conventional financial markets.
- Move37AI's first employee. Currently serving as a consultant, providing strategic oversight and overseeing critical efforts.
- We develop machine learning models to participate in niche financial markets, with a special focus in horse betting and auctions.
- We use large amounts of self-obtained high-quality data and cutting edge quantitative techniques to find systematic strategies that can produce sustained excess returns.
- As a team of three we built a fully systematic data-based project from scratch, now operating over 5mm USD a year in Sports Betting across 30 different venues in multiple countries, becoming the largest gambling operation in Latin-America.
- Responsible for developing and improving the precision of our predictive models, designing our pricing and betting strategies and building both the ETL routines and low-latency live-betting infrastructure.
- In charge of a team of fifteen working from the Buenos Aires office for one year and a half before being transferred to the US, directing our research and technical strategies.

EDUCATION

Columbia University

2026-2028

MSc, Computer Science

GPA: 4.00/4.00

Track: Machine Learning

Universidad Torcuato Di Tella

2017-2020

BSc, Economics

GPA: 9.81/10

Valedictorian.

Thesis: *Socially Optimal Spending in Tax Collection*

Università Bocconi

2019

Exchange Student

GPA: 29/30

One semester exchange program.

AWARDS AND ACHIEVEMENTS

2021	Valedictorian, Universidad Torcuato Di Tella class of 2021 Summa Cum Laude (Gold Medal for highest GPA, rank #1) Argentine National Academy of Economic Sciences Excellence Award Best Economics Department thesis of 2021 Santander Bank Fellowship
2019	Summa Cum Laude, Computational Microeconomics, Università Bocconi

TALKS AND PRESENTATIONS

Title:	Dynamic portfolio allocation: Learning from the best
Dec 2023	Universidad Torcuato Di Tella, II Workshop in Machine Learning

ARTICLES

I really enjoy writing and teaching. Two small articles (in spanish) I wrote as a student for Di Tella's magazine, "La Curva", on Argentina's contemporaneous economic dilemmas.

El cepo al dólar: un mal mayor que pagan los más pobres	2020
<i>Revista La Curva</i>	
Emisión sin inflación: ¿se puede?	2020
<i>Revista La Curva</i>	

SERVICE

Xavier Mission, Welcome Table	2023-2025
<i>Volunteer</i> I participate in the weekly community meals program, welcoming and serving guests, helping provide food to individuals facing homelessness and food insecurity.	
Noche de Caridad	2016-2023
<i>Volunteer</i> Weekly street walks providing meals and support to individuals experiencing homelessness.	
Navidad para Todos	2016-2020
<i>Volunteer</i> Participated in organizing and distributing gift and food boxes to vulnerable groups spending Christmas Eve in solitude, like homeless individuals, hospitalized children and hospital staff.	
San Ignacio	2015-2018
<i>Group Leader</i> Coordination and organization of a social work group traveling to Maciá, a small town with high poverty rates in the province of Entre Ríos, Argentina. In charge of 150 teenagers (15-18 years old), traveling twice a year. Responsible for logistics (transportation and lodging), activity schemes, fundraising. Treatment of various local challenges, mainly focused in providing support to vulnerable groups.	
Techo	2013-2015
<i>Volunteer</i> Housing construction program for families living in extreme poverty.
